This product has been tested using valid testing methodologies and according to ISO:IEC 17025 accreditation requirements. Values reported relate only to the product provided except for compliance testing, where values relate to the entire randomly sampled batch. For tests that include a limit, the limit is the pass / fail criteria for that test. Steadfast Lab makes no claims as to the efficacy, safety, or other risks associated with any detected or non-detected levels of any compounds reported herein. This certificate shall not be reproduced except in full, without the written approval of Steadfast Lab.
